CORE COMPETENCIES

CEI Services, Inc. is a certified Small Business Enterprise (SBE) and Disadvantaged Business Enterprise (DBE) delivering reliable facility maintenance, grounds management, and construction support services across the Southeast. With a proven track record serving commercial, industrial, and government clients, CEI brings the expertise, capacity, and compliance focus needed to meet diverse contracting requirements. Our team is committed to safety, quality, and timely performance, ensuring that every project aligns with client standards and supports operational readiness.

DIFFERENTIATORS

Our project managers ensure contract required safety and quality standards have operational process controls that identify performance, schedule, and cost issues before problems occur to provide timely customer feedback.

Our supplier chain management establishes open lines of communication with customer environmental and safety stakeholders to ensure personnel comply with onsite regulations.

We utilize OSHA Job Hazard Analysis forms (i.e., US DOL OSHA 3071) as a component to eliminate and prevent workplace hazards without compromising the project quality, schedule, and/or cost.
